15. Warranty Provision:

LMH Hawthorne Healthcare DBA Pisces Healthcare Solutions (LMH-Pisces) warrants and implies that the items delivered hereunder are merchantable, fit for use for the particular purpose and will be free from defects in material and workmanship for a period of one-year from date of delivery, except the Thermophore® items which carry a two-year consumer warranty. Whether a product qualifies for warranty replacement is at the sole discretion of LMH-Pisces. All parts found defective within the period shall be replaced with the cost of replacement, including all shipping charges to be borne by LMH-Pisces.

Customers of LMH-Pisces should NOT replace units that they assume are under warranty. LMH-Pisces cannot give credit for items that were returned "under warranty" if they did not qualify. Under no circumstances will any products covered by this guarantee be returned without (a) an advance written notice to the LMH-Pisces or (b) obtaining shipping instructions from the LMH-Pisces.

Typically, LMH-Pisces will be able to verify that an item qualifies for warranty replacement over the phone and the matter can be handled quickly and easily. In cases where warranty replacement cannot be confirmed over the phone, LMH-Pisces will work with the consumer to achieve an acceptable outcome.

Limitation of liability: Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the Government in a breach of warranty action for consequential damages resulting from any defect or deficiencies in accepted items. In the event that the terms of the contractor's standard commercial warranty/limitation of liability clause(s) place greater limits on the contractor's liability than do the terms contained in this clause, the terms of this clause will govern the contract.

Return Goods Policy: If a shipping error occurs due to LMH-Pisces error, the LMH-Pisces will pay freight both ways for return/exchange of goods. If an ordering facility error occurs, the ordering facility will pay return freight and a 20% restocking fee.

Returning products without a shipment-specific RA# may result in refusal of the return, delayed and/or possibly denial of any credit for that return.

LMH-Pisces does not give credit for product which is not returned to LMH-Pisces. Written exceptions to this can be made on a case-by-case basis by calling our Customer Service department.

LMH-Pisces will inspect all valid returns, validate that credit can be given and then issue credit within 20 days of the receipt of the return. In no case will credit be given for an entire return without inspection by LMH-Pisces
